ABOUT CAMP HARBOR VIEW

Founded as a summer camp in 2007, Camp Harbor View has grown into a multi-service organization with programs and initiatives in two key areas: youth development and family services. We build relationships that transcend summer and camp, investing in the wellbeing of young people and families over the long term. Centered around the voices of young people, particularly young people of color, our work is guided by the principles of access and opportunity.

The safety and wellbeing of our community is our top priority. Please visit our website for information on event Covid-19 procedures and policies.
